

SVSS COMPANY LTD.

Environmental Policy Statement

The management of SVSS Company Ltd. is committed to this environmental policy to ensure that its services fully meet Ghana's environmental standards as well as requirements of its Clients. It is the goal of the company to reduce its impact on the environment and also protect the environment at all times.

We are committed to quality of service whilst also minimising the company's effect on the environment. Throughout our activities, SVSS Company Ltd. will ensure the following:

- Manage and conduct our operations in an environmentally sound manner and also implement effective controls to reduce or eliminate the release of pollutants into the environment;
- Comply with all relevant legislation and regulatory requirements;
- Use energy efficient working equipment and implement energy saving measures;
- Raise the awareness of environmental issues with all employees and visitors while working in partnership with Clients and suppliers to promote effective environmental management;
- Train all employees in respect of its environmental policy and procedures and encourage the contribution of all employees towards improving the environmental performance of the company;
- Audit and review environmental performance periodically;
- Continually improve on our environmental performance; and
- Review this policy periodically.

Management is committed to effective environmental management in all its project sites.

Signed:

Yaw Britwum Opoku
General Manager
